

## **Advertising with your Chamber:**

### **Highway Signs:**

Sparwood Chamber owns the highway signs. There are 2 large signs on each end of town and 7 small signs within the community. The cost is \$400/large and \$300/small yearly, and is renewed each spring.

### **Website:**

We are implementing a website advertising campaign. Please contact the chamber office for more information and rate schedules

### **Chamber Events:**

The golf tournament and Christmas Community Party are two excellent ways to advertise to all who attend. With hole/green fee sponsorship, team sponsors, prize donations, meal donations, etc. Giving back to your community is your best advertising.

### **Chamber Newsletter:**

Newsletter is emailed monthly to all chamber members. Advertising is free if you are a chamber member. We also advertise community events. Contact Chamber office for more info.
